2. Form, Style and Placement in Administrative Code

Subdivision 3. of s. DE 2.04 (1) (e) should be placed in a separate subsection, between current sub. (1) and (2) (e.g., a new sub. (1m) can be created) with subd. 4. renumbered accordingly. In the new subsection, it is suggested that the first sentence be revised to read as follows: “The board may grant a temporary license as a dentist to an applicant who meets the requirements of sub. (1) (a) to (d), (e) 1. and 3. and (f) to (i), but who does not meet the requirement of sub. (1) (e) 2. because the clinical licensing examination taken by the applicant is not substantially equivalent to that of the central regional dental testing service due to the absence of a periodontal part.” It is also suggested that, in the last sentence, “such” be replaced by “the.”
